# THE SOUTHRONS ARE COMING.

AIR--"THE CAMELS ARE COMING."

The Southrons are coming, heigho ! heigho !  
The Southrons are coming, heigho ! heigho !  
The Southrons are coming, Yankees are running,  
Their creditors dunning, heigho ! heigho !

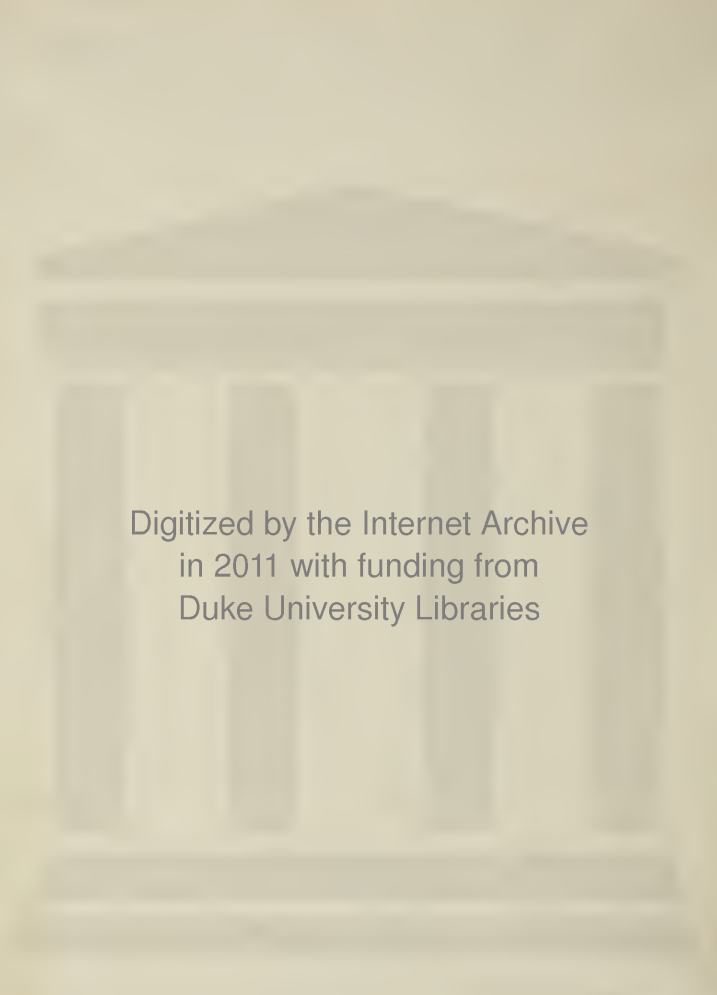

The Southrons are coming, heigho ! heigho !  
The Southrons are coming, heigho ! heigho !  
The Southrons are coming, from "Ball Run" running,  
Up to the Border, heigho ! heigho !

Border Men up then, prompt to your places,  
With knife, gun and sabre join in the races,  
And send up the shout if the Hessians won't go  
The Southrons are coming, heigho ! heigho !

The Southrons are coming, heigho ! heigho !  
The Southrons are coming, heigho ! heigho !  
The Southrons are coming, Yankees are running,  
Their creditors dunning, heigho ! heigho !

Down to the Susquehanna we'll go,  
Where our old state flag in the breeze shall flow,  
And our guns shall talk of the rights of the South,  
While the Yankees are crossing, heigho ! heigho !

The Southrons are coming, heigho ! heigho !  
The Southrons are coming, heigho ! heigho !  
The Southrons are coming, from "Bull Run" running,  
Up to the Border, heigho ! heigho !
